

# Help Your Kids To Thrive!

The emotional reserves of our kids are running low, yet they have a race to run—and a race to win. Do your children and teens know how to capitalize on simple practices that refuel, recharge, and point them to Jesus? Teach them how, lead the way, and do it together. Navigating our world requires the ability to create connection, reduce cortisol, hit pause, and prioritize sleep. This easy-to-launch, faith-fostering Life and Wellness Strategies helps kids and parents combat anxiety, depression, and challenges with motivation. **Run the Race** is a 6-part Video Series that equips 5th to 12th grade students to refuel and recharge for a lifetime of joy and good work.

*"Where have you been? Why is this not being taught? This video series was awesome! I really needed to hear that message today. I think a lot of teens need to hear this. I would love to see more!"*

### **STUDENT TESTIMONIAL**

*Run the Race set the stage for AMAZING conversations with my 7-8th graders. I needed a faith-based, easy to use "plug and play" LIFE program to help my students process life and equip them to prioritize key mental health strategies.*
